**Y5 Wonderdome**

Dear Parents/Carers,

As part of our Spring 1 science topic on space, Y5 will have a visit from the 'Wonderdome' mobile planetarium on **Thursday 7th January 2027**. The Wonderdome will be set up in the hall and each class will have the opportunity to experience an amazing 360° planetarium show.

In order to cover the cost of this fantastic experience, we are asking for a contribution of **£5.50 per child**, to be made as usual via ParentPay.

*To cover the costs for this activity, we are asking for a contribution per child. As with all activities of this kind, we can only ask for a voluntary contribution, but should insufficient funds be received, the event may have to be cancelled. All payments should be made through ParentPay.*

This will be an incredible, immersive way to introduce our space topic, which we hope will inspire all of our Y5 children.

Best wishes,

The Y5 Team
