FeedbackTM

Dear Sir / Madam,

As part of a drive to support Lydgate Junior School to be a continually improving school for all, the school governing body are launching an independent initiative, allowing all stakeholders to provide constructive feedback to help inform future decision-making.

We hope to use various ways of collecting feedback data; we are happy to receive any innovative suggestions, but as a starter, we have included just one question below which we would like you to answer for us. You will be able to post your completed slip at the upcoming parents' evening; look for the logo above in the school for instructions. All submissions are to be anonymous, so please do not add any identifiers to the slip.

If you have any questions, please do not hesitate to contact the school who will be happy to pass them on to us. It is our intention to establish this initiative as a permanent feature and hope you will feel empowered to participate.

Thanking you in anticipation.

Yours faithfully,

Lydgate Junior School Governors
