February 2018

Dear Parent/Guardian,

Introducing sQuid online payments

As a result of the Parentpay contract coming to an end, Sheffield City Council has selected sQuid as their preferred new online payment system provider. We have accepted the local authority recommendation and will be moving from Parentpay to sQuid in March. As a school we feel sQuid offers our parents improved options, including a mobile telephone app and parental access to pre-order their child's meal online in advance.

Your child's sQuid registration details

You will soon be sent a personalised letter with a 16 digit registration number and 3 digit security code to enable you to register on the sQuid website. If you have more than one child at the school, they will each be issued with their own registration number.

Once you have created a sQuid account for your child, you will also be able to manage their account online at any time to:

- Link any siblings to one login account
- Top up their account from your bank account, credit or debit card
- Enable Auto top up so that they never run out of funds
- Check their account balance
- View their transactions
- Pre-order your child's meal (if you wish)

Parentpay to sQuid

There will be a brief transition period when some payment items may still appear on parentpay, however, any balances on the children's accounts will be transferred from parentpay directly to sQuid in March.

We thank you for your anticipated support in using sQuid.

Yours sincerely,

S R Jones
Headteacher

We are a Rights Respecting School that delivers an engaging and exciting education for all.
