26th March 2018

To Parents/Carers of Y6 Pupils,

Y6 SATS INFORMATION DROP-IN MEETING

You will be aware that our Year 6 pupils will be taking their SATs tests in the Summer term. In order for you to gain a better understanding of what SATs are about, as well as learning something of the challenges that the children face in preparation for these tests in May, we will be hosting informal drop-in meetings for parents.

These will take place at 3.30pm on Friday 20th April.

There will be a short presentation including the SATS timetable, details of what to expect in test week and ideas for how best to help your child at home. There will also be time for questions at the end. Your meeting will be led by your child's class teacher in their classroom.

Y6 children are welcome to attend also, although they will have covered most of it in school and we do prepare them well in terms of what to expect – they really have heard it all before!

We do hope that you will be able to come along and that you will find it useful in enabling you to support your child at this important time. Could you please complete the attached slip so that we have some idea of numbers.

Thank you,
The Year 6 Team

Please return to class teacher
