To the Parents/Carers of Year 3 and Year 4 Pupils

Dear Parent/Carer

Following a review of the Year groups and discussions with the class teachers, we have decided to re-organise the present Year 3 and Year 4 classes for the start of the new academic year in September.

The re-organisation will seek to establish:-

- A gender balance within the classes
- A similar number of pupils with Special Educational Needs across classes
- Opportunities for children to develop positive relationships with different pupils

We would like each child to list three children from the year group who he/she would like to be with next year and we will do our best to ensure that, where they have made appropriate choices, they are with at least one of their preferences. Please complete the slip attached and return to school in the envelope provided on **Monday 11th June**.

We encourage parents and carers to discuss with their child the names he/she is putting down on the slip. If a child puts down fewer than three children we cannot promise that this child will be with any of their named pupils.

If parents wish to share with us their views on their child's choice or any concerns, please do this in writing marked for the attention of the class teacher by **Wednesday 13th June**.

Children and parents will be informed of the new class arrangements on Monday 2nd July.

Yours sincerely

S.R. Jones
