Thursday 20th June 2019

Dear Parent/Carer

During the last three weeks of term, our Year 6 classes will be involved in lessons based around puberty, with the title 'Living and Growing' – this is part of our Health Education topic and follows on from the sex education DVD that the children watch in Year 5.

The lessons will take place over the course of a day or two afternoons with the whole class. We will be using a range of resources, including handouts, word puzzles, card games, diagrams, powerpoints and recommended books.

If any parent/carers wish to look at these resources prior to the children using them, they will be available in the Y6JP classroom from 3.30 – 4.30pm on **Tuesday 25th June**. Please follow the link on the email to complete the online form informing us if you will be dropping in to preview the resources.

If you do not wish your child to be involved in this unit of work, please could you inform me of your decision **in writing** as soon as possible.

Yours sincerely

Jayne Purdom
Y6 Year Leader

We are a Rights Respecting School that delivers an engaging and exciting education for all.
