

## Year 5 grammar and spelling homework

Each week this year you will be given a piece of homework to help you learn your spellings and a task related to the grammar learning that we do in school. Many of the grammar tasks that we set are in the grammar homework book that you have been given today. When we set one of these tasks, we will ask you to record the page number and specific subject in your school diaries. For example, this week's homework task is:

Pg 12 'Standard English'.

You **MUST** read the really helpful information given to you in the 'Remember' section at the top of the page before completing the task on the page. In addition, the glossary section is also really useful if you are unsure about any of the grammar terms that the book uses.

Sometimes the grammar task will be attached to the spelling homework.

We will mark and discuss all these tasks together in school and your class teacher will tell you when and where to hand this in.

## Year 5 maths homework

Each week you will be asked to complete one page (one test) of your maths homework book. You will also record the page (test number) in your school diary.

**Please ensure that you have your diary with you in school every day.**

If you or your parents are at all unsure about any of the homework tasks, please don't hesitate to come and talk to us about it.

Thank you,

The Year 5 teachers.
