Dear Parent/Carer

During the week beginning 2nd July, our Year 6 classes will be involved in lessons based around puberty, with the title 'Living and Growing' – this is part of our Health Education topic and follows on from the sex education DVD that the children watch in Year 5.

The lessons will take place over the course of a day or two afternoons with the whole class. We will be using a range of resources, including handouts, word puzzles, card games, diagrams, powerpoints and recommended books. This will be followed up by question and answer sessions, separate for boys and girls.

If any parent/carers wish to look at these resources prior to the children using them, they will be available in my classroom from 3.30 – 4.30pm on **Tuesday 26th June**. Please feel free to drop in. It would be really helpful if you could indicate on the slip below so that I know how many people to expect!

If you do not wish your child to be involved in this unit of work, please could you inform me of your decision **in writing** as soon as possible.

Yours sincerely

**Jayne Purdom**
