

Primary Physical Education and Sport Premium

The government is providing additional funding of £300 million per annum for academic years 2017/2018, 2018/2019 and 2019/2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport that they offer.

This means that the premium should be used to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, funding can be used to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

What has our school done?

We have renewed our membership for Forge School Sport Partnership (Forge SSP) which continue to offer a wide range of activities to our pupils, staff and community members linked into the 5 main indicators of the funding.

We have planned/delivered the following:

Staff CPD

- Our PE coordinators provide thorough planning and preparation with regards to PE and School Sport throughout the academic year
- Our PE Coordinator attended a CPD and networking meeting on 26th September alongside other schools in the city
- Our lunchtime supervisors will access refresher training to encourage active play.
- We have paid for a PE Specialist to enhance PE lessons and upskill staff.
- Various City wide PE and Sport training opportunities have been offered to all staff in school.

Increase Range of Activities

- We continue to provide a range of coaches and sports into school including 'non-mainstream sports' such as karate and fencing and table tennis and more recently Yoga before and after school.
- We provide gymnastics, cheerleading and athletics clubs, building towards the School Games Competitions
- All Year groups have accessed specialised handball coaching
- We are subsidising the annual Edale Residential Trip (Outdoor Adventurous Activity) for our Year 6, which is now taking place during the school week. 94% of our Y6 pupils attend.

Increase Competitions

- We have access to a range of Sainsbury School Games and Forge SSP Competitions throughout the school year.
- We have access to 7 KS1 and KS2 Forge SSP Virtual Competitions throughout the year.
- We have attended and continue to attend local cluster festivals
- We have planned our Sainsbury School Games (sports day) to take place **in July**
- Throughout the year we plan to deliver 6 Level 1 Intra Competitions , across all year groups, within our school
- Our Pupil Premium children have competed in an inter-school Dodgeball Competition

Engagement of all Pupils in Physical Activity

- We have a wide range of after school clubs taking place every day of the week
- We provide targeted clubs such as the 'Private Party' clubs at lunchtimes for our Pupil Premium children
- To encourage every child to be physically active we have structured lunchtime activities on a rotation basis delivered by lunchtime supervisors
- All children are trained in Handball (by Forge School Partnership).
- Through the use of our Y5 Play Makers, Year 3 children are able to access structured physical activity every lunchtime
- Our Y6 pupils (122) now enjoy taking part in running or walking 'the daily mile' (4/5 mornings per week)

Raising the Profile of PE and School Sport across Whole School

- We successfully achieved the 'Gold Games Mark' in recognition of our achievement
- We have recently introduced the 'Maths of the Day' programme to raise activity levels in other subject areas and to achieve the 'active 30 minutes' and to improve concentration levels of pupils.

In addition to the above we have/plan to:

- Complete a school audit of PE and School Sport
- Question staff regarding areas of personal development in PE
- We have trained 20 Y5 pupils in the nationally accredited SLUK Playmakers Award. 10 Y6 pupils have continued to act as Playmakers.
- Provide local sport club contact details for pupils
- We will re-apply for the School Games Mark in the next window
- Target our most inactive children and offer them access to lunchtime activity once a week
- We report on our sporting success through our monthly Newsletter to parents
- We plan to raise the profile of PE through year group 'blogs' via our school website
- We are still looking in to the practicality of raising our profile through social media sites such as 'Twitter'
- We encourage Y6 boys and girls in dance through 6 weeks programme of 'Samba Sport'.
- We have updated our Orienteering Map of School.
- We have updated our school kit for team events.
- We regularly distribute leaflets, promoting sporting activities and events
- We offer talent spotting within school i.e. diving
- We authorise pupil absence for pupils that represent sport at a higher level.

How we propose to spend the funding?

Sports Premium

Income	Amount (£)
Sept 2018 – March 2019 Budget Allocation	12,122
April 2019 – August 2019 Expected Budget Allocation	8,658
Total September 2018 – August 2019	<hr/> 20,780
Expenditure	
Edale – Outdoor & Adventurous Team Building	3,000
Forge School Partnership - Membership	1,100
Forge School Partnership – Curriculum Support & After School provision	5,540
