Be Spotastic!

Dear Parent/Carer

Re: Children in Need Day Friday November 17th 2023

We have 4 ways pupils can support Children in Need this year and raise money. Fundraising for the danceathon and sponsored silence can be donated electronically on our school Parentpay website directly to [BBC Children in Need](https://www.bbc.com/children-in-need). Pupils can bring cash to buy a biscuit, and/or a wristband, and/or wear non-uniform.

Children will today be bringing home a slip to tell friends and family how to sponsor them in a 'danceathon' or sponsored silence. If you would like to sponsor for either of these events, sponsorship money can be paid electronically using the [BBC Children in Need](https://www.bbc.com/children-in-need) link which will record the total amount Lydgate Junior School pupils have raised through sponsorship.

1. Buy a Pudsey biscuit for 50p, kindly made by our kitchen provider staff - Taylor Shaw
2. Wear non-uniform for a suggested donation of £1 per child. The children can wear fancy dress, their own favourite clothes or something spotty!
3. Buy a Children in Need wrist band, made from recyclable materials for £1 during the week 13-17 November.
4. Take part in a sponsored event, danceathon or sponsored silence. – Payment electronically (linked to Lydgate Junior School) directly to [BBC Children in Need](https://www.bbc.com/children-in-need).

Many thanks for your support,

The RRS Planning Team
