18th December 2020

Dear Parents/Carers,

When we return to school after the Christmas holiday, Y3 will be starting a new topic about life in the Stone Age. Our first lesson will take place in the school woods and will involve building dens from natural materials.

We will be going into the woods on the first day back on **Monday 4th January 2021**. Your child will need to bring suitable footwear and warm clothing to school on that day as it could be wet and muddy.

Please send to school:

- A **change** of footwear – wellies or old trainers are ideal.
- A warm coat, hat and gloves – these may get muddy.
- A plastic bag to carry their muddy shoes home in.

We will send a text reminder the day before as it is important that the children are suitably clothed for outdoor activities.

Thank you for your support and we wish you all a happy Christmas and new year.

Yours sincerely,

The Y3 team.
