

Home, blended or remote Learning due to Covid19

From Monday 8 March 2021 we have welcomed back all children to school. Although school attendance is mandatory there may be some circumstances where pupils cannot attend school due to coronavirus (COVID-19). Where this is the case home, blended or remote learning will be put in place as follows:

- **If a pupil is not able to attend for a short period of time whilst they are awaiting a test, but following a negative result are subsequently able to return to school**

Or

- **A pupil is not able to attend school due to a positive test in the household (resulting in isolation and being absent for at least 10 / 14 days).**

Parents will be directed to the links below to see what is being taught, enabling them to learn at home.

Each year group's current 'Medium Term Planning' are available below:

[Y3 Medium Term Plan – Spring 1](#)

[Y4 Medium Term Plan – Spring 1](#)

[Y5 Medium Term Plan – Spring 1](#)

[Y6 Medium Term Plan – Autumn 2](#)

However,

If a 'bubble,' including the teacher, is sent home to isolate (for at least 10-14 days),

Further information will be given to parents. It is expected that the class teacher will deliver brief introductions (via Zoom) each day to the day's learning, which may also be recorded and sent as a video. If possible, there would be a summary slot later in the day. If the class teacher is ill and unable to work, another teacher will deliver the day's work.
