

FAQ

I have more than one child – how will a staggered start work?

No matter what 'stagger' we put in place it will clash for some parents of children at other schools who also have their variation of staggered starts, so we are going to continue being accommodating, flexible and understanding. (It also nicely deals with sibling links within school.) You choose when, during the morning 'window', your child arrives.

The school day will remain with 'relaxed' arrival between 08:35 and 09:00 and 'relaxed' leaving between 15:10 and 15:25, for ALL pupils. Y3 pupils are encouraged to use the Tapton field entrance.
