Y6 Geography Walk

Dear Y6 Parents/Carers,

As part of our current geography topic in Y6, we have been learning to read Ordnance Survey maps, use navigational compasses and create our own maps. To put our skills into practice, we will be going on a walk around the local area, following a route on an OS map and then taking photos and drawing sketches to create our own maps when we return to school.

These short field trips will take place on the following days:

Mon 15th May **6S/W & 6SH**
Wed 17th May **6HH & 6R/J**

On the day of the walk, your child will need to wear comfortable shoes for walking and dress appropriately for the weather. They will need to bring a packed lunch and may bring an extra snack and a drink to take with them on the walk. This should all be packed in a comfortable backpack which they are able to carry for the duration of the trip.

We will need some parent helpers to accompany us on this outing. We will be leaving school at 10.15am and returning by 2.15pm. If you are able to help, please let us know by following the below link to complete the online form by **Friday 5th May**. We will be in touch regarding this in due course.

In the case of poor weather, we will either cancel the trip or adjust the time spent outside accordingly. A decision will be made the day before.

Many thanks for your support,

The Y6 Team
