

Voice Boxes

Allowing all members of Lydgate Junior School to share their voice and for it to be heard is very important. Article 12 states that all children have the right to an opinion and for it to be listened to and taken seriously. There are many ways in which we ensure children have the opportunity to share their voices at our school (e.g. by talking to adults, RRS Councillors, by traffic lighting our work etc.) and most recently we have introduced another way to share our voices...

VOICE BOXES!

Yes, we know that we all have our own voice box but these ones are slightly different! Each class has created a voice box for their classroom and have chosen a place to keep it. We use the box as another way to share our voice by writing what we would like to say on a piece of paper and adding it to the voice box. Of course, we share our voices in lots of ways but this is just another way to share our voice!

Check out all of our wonderful voice boxes!

- Can you see your classes?
- Have you used the voice box in your classroom yet?
