Pride of Yorkshire is on its way!

Art Design Competition

We are inviting you to design Lydgate Junior School's very own lion cub for The Pride of Yorkshire this Summer. Our lion cub will be displayed as part of the trail and then returned to school to be displayed alongside our Galaxy bear!

If you would like to take part, please use the templates provided to make your design. You will see there is a front and a back - they don't have to be the same.

Some things to think about:

- The theme for the trail is **Pride of Yorkshire** so think of ways to convey this. You might want to include inspirational people, local events, history or celebrate our beautiful green spaces and wildlife.
- What is the message that you would like your design to represent?
- What do you want to celebrate about Yorkshire?
- How do you want to make people feel?
- What would you like people to say when they see your sculpture?
- You might want to include our school logo or motto.
- You can use pencils, felt tips or paint for your design and you can write notes if you want extras like glitter, decoupage, etc. as these can be added afterwards.
- Dimensions of the actual cub are height 0.76m, width 0.36m and length 0.97m.

Entry to the competition is **£1**, payable on ParentPay.

All entries should be handed into class teachers by **Wednesday 11th February**, ready for judging before half term.

If you don't have access to a printer, paper copies of the templates will be available from your class teacher.

Good luck!
