Y4 Residential to Mount Cook Adventure Centre November 2025

Dear Parents/Carers

We have exciting news for our current Year 3 children! After successful visits in 2023 and 2024, we have decided that our Year 4 residential is again going to be taking place at **Mount Cook Adventure Centre** in Derbyshire. This has been booked for **Monday 17th November into Tuesday 18th November 2024**.

The visit will take on a Roman theme and the children will be involved in chariot building, drills, fire building and archery. Mount Cook is an adventure centre so there will be lots of scope for other outdoor activities too. The total cost for this visit will be **£95 per child**. This includes a contribution to coach travel to and from the centre, an evening meal, breakfast, a whole day as a Roman Invader, an evening workshop and the sleepover experience.

You can find out more about the centre here:

<https://www.mountcook.uk/centre>

To secure a place at Mount Cook Adventure Centre for your child, we ask that you pay a £10 deposit by Monday 30th June 2025 via parentpay.

Please share this information with your child and as soon as we have final confirmation of numbers, we will be in touch with the finer details in another letter.

Best wishes
The Y4 Team
