Article 15 (Freedom of association): Children have the right to meet together and to join groups and organisations.

Article 23 (Children with disabilities): Children who have any kind of disability have the right to special care and support, as well as all the rights in the Convention, so that they can live full and independent lives.

Article 27 (Adequate standard of living): Children have the right to a standard of living that is good enough to meet their physical and mental needs.

Dear Parents/Carers,

Re: Comic Relief 'Red Nose Day' - Friday March 19th 2021

As we have done for many years now, we would like to support the Comic Relief campaign. Red Nose Day is back on *Friday* 19th March and this year it's never felt more important to have some fun and raise money to support people living incredibly tough lives. We need the power of funny to turn laughs into lasting change.

As a Rights Respecting School we fully support these beliefs and have planned several activities to raise money to support charities that work with families who face challenges and disadvantages in their daily lives.

You can support us in the following ways:

1. We are having a non-uniform day on **Friday March 19th** and ask for **£1 donation** from each child. The theme this year is 'FUNNY IS POWER' so we would like the children to wear anything that makes them happy, perhaps even to 'wear something funny for money'.
2. We also have a limited number of Red Noses for the children to buy. These will be sold in the classrooms during the week beginning **Monday 15th March, at a cost of £1.50 each.**
3. Every class will complete a few Comic Relief related activities within their lessons to raise awareness of this great fundraising day. And, as part of our RRS lessons, we will discuss the important environmental theme of being 'Plastic Clever'.

We are sure the children will have a very enjoyable day and at the same time will be supporting very worthwhile charities.

Yours sincerely,

The Rights Respecting Schools Planning Committee
