Monday 2<sup>nd</sup> December, 2024

Dear Parent/Carer,

To start our new history topic about life in the Stone Age, the children in Y3 will be taking part in an outdoor forest schools lesson. This session will be run by Mrs Webb, our forest school lead, and supported by the class teacher. It will last for half a day for each class.

The sessions will take place on the following days:

**Thursday 5<sup>th</sup> December – Y3JD & Y3ML**

**Wednesday 11<sup>th</sup> December – Y3R/S & Y3BN**

We will be going outside whatever the weather so the children will need to wrap up warm (lots of layers is ideal) and they will need suitable footwear to change into. They will stop for a drink of hot chocolate during the lesson to help keep them warm. We will also be toasting marshmallows over a fire (vegan marshmallows will be available). Please let the school office know if your child is unable to have hot chocolate or marshmallows due to allergies.

On the day, please send to school:

- A **change** of footwear – wellies, walking boots or old trainers are ideal (we will ask the children to change into their indoor shoes when they come into the school building)
- A warm waterproof coat, hat and gloves – these may get muddy
- Lots of layers of clothing to keep them warm
- A plastic bag to carry their muddy shoes home in

Thank you for your support.

Yours sincerely,

The Y3 team.
