16<sup>th</sup> June 2021

Dear Parent/Carer,

## Y5 Puberty – Preview for Parents

During the last few weeks of this term, we will be teaching a unit of work about puberty, as part of our science lessons about life cycles. We will be learning about how the body changes during puberty, including some work about menstruation and how babies are born.

We will be holding a Zoom for parents to share what we are planning to teach the children and for you to ask any questions you may have. The Zoom meeting will be recorded so that anyone who can't make it can still receive the information. The Zoom will take place on **Monday 21<sup>st</sup> June at 4.00pm**.

Please follow the below link to complete the online form informing us if you will be attending the preview meeting by Sunday 20<sup>th</sup> June. If you are not wanting to attend the Zoom then there is no need to complete the form.

If you do not wish your child to be involved in watching the programmes and taking part in the discussions, please could you inform me of your decision **in writing** as soon as possible.

Yours sincerely,

Mrs Loosley  
Year 5 Leader
