Wednesday 2nd November 2022

Dear Parents/Carers of Y5 children,

Our DT topic for this term is bread. We will be looking at how bread is made, the different breads that are eaten around the world, tasting a range of different flavoured bread and then the children will design and make their own bread.

We will be tasting the bread on **Friday 18th November** and children will be making their own bread during the **week beginning 21st November**.

We will provide all the ingredients for the basic bread recipe and all the flavoured breads for the tasting session. There will be a charge of **£2.50** to cover these costs (please pay this via [ParentPay](#) by **Tuesday 15th November**). Your child will only need to bring in the ingredients they have chosen to flavour their bread with. We will discuss this in school and they will bring home their own small list of required ingredients closer to the time (e.g. herbs and cheese).

If your child has any recent changes to their dietary requirements that school are not aware of, please let your class teacher know.

Thank you,

The Y5 Team

We are a Rights Respecting School that delivers an engaging and exciting education for all.
