On **Thursday 26th February**, we will be holding a **SATs information evening** for parents. We will be going through how the different areas of the curriculum are assessed, what we will be doing to prepare and what will happen in the SATs week. The meeting will start at 5pm and last about half an hour.

On **Tuesday 28th April**, we are holding an **Edale information evening**. We will be going through the activities available, the structure of the three days and what the children should expect. The meeting will start at 5pm and last about half an hour.

In Spring 2, we will be running some **booster sessions** after school on a Tuesday. If your child is put forward for these sessions, we will send more information in the final week of this half term with details of timings. The sessions will run for an hour after school on Tuesdays until 4:15pm.

We are very impressed with how settled and hardworking our Year 6 children are. We are very proud of them and are looking forward to continuing their Year 6 journey with them and celebrating their successes. As always, thank you for the support that you give them with their learning: it makes such a difference.

Kind regards,
The Y6 Team
