Parents/Carers of Y6

Dear Parent/Carer,

Re: Sex Education - Preview

During the summer term we will be covering some aspects of Sex Education with Y6. The children will be learning about changes during puberty, conception, pregnancy and birth.

In recent years, the curriculum at Lydgate Junior School has always introduced Sex Education in Y5, with some follow up in Y6. The lockdown last summer meant that this year's cohort of Y6 children missed the Sex Education sessions that we normally deliver in Y5. We have altered the planned lessons to take account of this so that the children will cover all the material that is normally introduced in Y5 as well as the Y6 learning. These lessons form part of the RSHE and science curriculum.

We would like to offer parents the opportunity to view some of the teaching resources that we will be using and to ask any questions about how we teach these sessions before the children view them. This will take place via Zoom on **Wednesday 21st April at 4.30pm**.

Please complete the short online [form](#) by midday on Thursday 1st April to let us know if you would like to attend this session. It is helpful to know numbers in advance so we will send out the Zoom link to those who have expressed an interest once we know how many people wish to attend. If you do not wish to attend the Zoom session then there is no need to complete the form.

If you do not wish your child to be involved in the sex education sessions, please could you inform us of your decision via email to enquiries@lydgate-jun.sheffield.sch.uk as soon as possible.

Yours sincerely,

The Y6 Team

We are a Rights Respecting School that delivers an engaging and exciting education for all.
