

Home, blended or remote Learning

The temporary provisions in the Coronavirus Act 2020 expired on 24 March 2022 and as a result the [Remote Education \(England\) Temporary Continuity \(No.2\) direction](#) no longer has effect.

Attendance is mandatory for all pupils of compulsory school age. Rarely there may be occasions where schools consider providing remote education to pupils in circumstances when in-person attendance is not possible. Further information is available [the DfE](#).
